

## **Pentalift Launches New Website**

Guelph, Ontario: September 2007:

Pentalift is pleased to announce the launch of their new website [www.pentalift.com](http://www.pentalift.com).

With a new eye-catching image of a blue print and the tag line “Engineered for Safety”, this creates a new look and feel to the site. New features have been added to the website such as a Safety Resource section, News and Events section, and a Photo Gallery. Pentalift offers much of the same great information as the previous site however, we are pleased to have updated it with a new professional, dynamic look. The site offers improvement in design, navigation and accessibility to all our prospective customers.

Pentalift Equipment Corporation is a well-established Canadian manufacturer of Loading Dock Solutions designed with user safety in mind.
