Topic: Pentalift Distributor Partner Training Seminar

Pentalift's Distributor Partners attendees at their June 2009 Sales and Technical Product Training Seminar. The 2 day seminar included a tour of the manufacturing facility and in class sales and application training . The seminar also included sales, installation and maintenance training on various pieces of equipment at Pentalift's facility. We received positive feedback from the attendees on the content and the social activities of the seminar. Watch for an announcement on the date for the next seminar.
